- The party became inactive in 2021 due to being unable to elect Central Committee members. The checking account was closed, and \$994.55 was sent to the Wyoming Democratic Party to hold for the Sublette Democratic Party Central Committee.
- A post card was mailed to every registered Democrat and previously registered Democrat(pre-2020) for the "Coffee and Conversation" meeting. The total was slightly over \$185.84 paid by the WDP on behalf of the SCDP, with funds in our held account.
- \$900 in both anonymous donations and one check were raised from the "Coffee and Conversation"; \$1,435.71 in the SCDP budget, still held by the WDP.
- Bobbi Wade requests permission from the Chair to withdraw the county budget from the WDP and have a checking account again.
- A motion made by Molly Mulcahy to open a checking account,

seconded by Bettina Sparrowe. Motion approved.

- No old business to address.
- Notice was given for the April 14th, 2025 town hall meeting with Schmid and Pearson.
- The Democrats would like a representative of the party with well worded questions.
- Bobbi Wade wants a way to submit questions to whoever becomes our representative for the Town Hall. She nominates Molly Mulcahy as the representative.
- The sign in sheet for this meeting had everyone's email address; we will be in contact to get action planned, especially regarding questions for the Town Hall.
- An Event Committee was put forward first, if an event is wanted in April.
- A Communication Committee was put forward: to handle mail, emails, social media, and to get people involved and recruited.
- A Chair is still needed for the Event Committee. An assumption was made that Bettina Sparrowe be made the Chair of that committee (no formal nomination).
- A Communications Committee Chair is still needed. Paige Phillips was nominated for Chair, seconded and confirmed. Ellen Skinner volunteered, Bobbi Wade volunteered, and Molly Mulcahy volunteered for the Communications Committee.
- Cyndi Van and Dana Tully volunteered for the Events Committee.
- The Communications Committee and Events Committee are officially formed.
- A Platform Committee already exists and comprises Dave Racich, Linda Baker, and Bobbi Wade. No chair.
- There being no further business a motion was made by Molly Mulcahy to adjourn, seconded by Paige Phillips. Motion passed, meeting adjourned – 3/27/25 9:00 PM

Respectfully Submitted,

Paige Phillips – Secretary
