- A proposal was brought forth that we send a survey to all registered Democrats to identify key county priorities. The survey will include a link to the county platform for survey respondents to review before completing the survey. We will hold a work group to review the survey data, and use the survey data to inform a strategic plan.

▪ **Upcoming events and dates to be aware of:**

- **March 5:** Deadline to email survey out to registered Democrats. Molly Mulcahy volunteered to draft and send the survey.
- **March 21:** Central Committee work group, followed by social gathering.
- **April 18:** County Convention. Molly Mulcahy volunteered to find a venue for the convention.

- Bettina Sparrowe volunteered to learn more about Votebuilder and work more with the platform to benefit the county party as a whole.
